

TAE40110 Transition to TAE40116 Certificate IV in Training and Assessment

What is this course about?

This program has been designed for individuals who have been awarded the TAE40110 and have vocational competence in their proposed teaching and assessing areas.

Who should do this course?

This qualification is suitable for people working in a training and assessment role in any industry and seek to keep their training and assessment qualifications current. Those entering this program must be able to demonstrate vocational competency in their proposed teaching and assessing area.

Why should I do this course with ETAS Group?

ETAS Group uses its 20 years' training experience working with a variety of organisations to contextualise qualifications to meet your business requirements. Our courses maximise class time, leading to an instant return on investment as outcomes are achieved while providing minimal disruption to production related activities.

When and where is the course run?

Classroom based delivery: The Certificate IV in Training & Assessment transition course also known as 'Module 4' is delivered over 5-days of face to face training at ETAS Group or by flexible arrangement at your workplace (minimum numbers apply).

Please note there may be take home assessments to be completed in the workplace.

How do I enrol?

You can enrol online on our website www.etasgroup.edu.au or email courses@etasgroup.edu.au
